

Using the Student Inquiry Report by Local ID

This report displays the Demographic, Enrollment, Assessment, Program Service, Special Ed Snapshot, and Special Ed Events, for the local Student ID entered, for the selected school year. You might use this to check to see if a student's data has properly moved from Level 0 to Level 1.

Login to the Level 1 Data Warehouse (dataview.wnyric.org)

Go to Public Folders → District Reports → Verification Reports - Other

Then click on Student Inquiry Report by Local ID

Click on your selection for the school year and district, and enter the local Student ID number.

Student Inquiry Report by Local ID

Special Ed Events

This sample report shows a 10th grade student's data for 2008-09. To see a full history of the student's enrollment in your district, click on the blue underlined ID number to run another report. Notice that there are no assessments listed, because there are none to report yet for this school year. Likewise, this student has no Program Service data loaded yet, and he has nothing to display for the Special Ed Snapshot, nor the Special Ed Events.
